(Successor to the Maryville Republican)

VOLUME 1.

MARYVILLE, MISSOURI, WEDNESDAY, APR. 12, 1911

NO. 262.

MEETING A SUCCESS

AND MANY MATTERS TAKEN UP TUESDAY EVENING.

THREE DIRECTORS ELECTED

Being G. B. Roseberry, G. L. Wilfley and E. C. Curfman—\$125 for Hospital.

An interesting meeting of the Commercial Club was held Tuesday evening in the club rooms and was well attended. A luncheon was given before the club was called to order and was served by Westfall Bros.

Three directors were elected to serve for three years. G. B. Roseberry was elected to succeed himself, and George L. Wilfley and Ed C. Curfman to succeed Charles Hyslop and H. L. Raines, who declined to serve again.

A resolution was adopted which provides that the members of the Commercial club shall not respond to solicitations for advertising in programs and other similar advertising schemes without the endorsement of the club. The penalty for violating this is fixed at \$10. The club members were highly in favor of the resolution. Many a dollar is spent by the merchants in advertising in programs and other advertising schemes and most of it is considered of no value. Hereafter, when anyone gets up a program or other advertising scheme, it will be necessary to have the endorsement of the club before the members will respond. The resolution follows:

"Resolved, That the members of the Maryville Commercial Club shall not respond to solicitations for advertising in programs and other similar forms of advertising schemes and that the member responding to such solicitations without the project having the endorsement of this club shall be fined \$10."

Another resolution was adopted inviting the commercial travelers to attend all meetings and banquets and also to take an active part in the discussions at the club meetings. It was necessary to do this as the commercial travelers could not be taken in as members unless they paid the regular fee. The resolution was as follows:

"Whereas, The members of the Commercial Club have for some time realized the fact that much credit is due the members of the local commercial travelers for the rank and position Maryville and its Commercial Club hold among other towns, and

"Whereas, No individual or group of men have done any more in the matter of advertising our city, calling attention to all its special advantages, improvements, etc., as well as pointing to successful efforts of our Commercial Club (words spoken by members of the commercial travelers having much favorable comment, and having brought new families to our 'Town of Homes'), therefore be it

"Resolved, That we, the Commercial Club of Maryville, do hereby extend a vote of thanks to the members of the local Commercial Travelers for the courtesy shown the city of Maryville, and the Commercial Club. Be it further

"Resolved, That the Commercial Club do hereby extend an invitation to the members of the Commercial Travelers to attend and take an active part in all of our regular meetings, banquets, etc., also to take active part in the discussions at such meetings, and to further co-operate with us in making Maryville a better and greater city."

The Commercial Club will be the guest of the St. Joseph Ad Club at St. Joseph on Wednesday, April 19, and probably twenty members will accompany them.

cept the invitation. A program for the occasion has been prepared.

The club passed a motion that they would duplicate any premium that the Twentieth Century Club would make for premiums to create an interest in beautifying the city to an amount not to exceed \$10. The Twentieth Century Club intends to form plans at a meeting in the near future to offer premiums to those who put in flower beds in the yards or parkways, and thereby to stimulate an interest in making the city more beautiful.

Mr. Smock, the road overseer, who has been doing some good work on the State road east of the city, was commended by the club for the work he has done. The road is much improved and Mr. Smock deserves praise for it.

The matter of flushing and sprinkling the streets was discussed and the club thought that since the members had donated and had bought the street flushing machine, that the city council should pay for the flushing and the sprinkling. Nothing definite, however, was done.

The club endorsed the hospital elevator fund and \$125 was raised at the meeting Tuesday night. Those who subscribed were as follows: Oren-Henry Drug Co., \$10; Berney Harris, \$25; P. P. Robinson, \$25; F. G. Shoemaker, \$5; Dr. F. M. and Dr. C. V. Martin, \$20; Anderson Craig, \$10; G. B. Roseberry, \$10; Wadley Bros., \$5; P. O. Landon, \$5; Wm. Everhart, \$5; and Wm. Oakerson, \$5.

BROKE HIS LEG IN AN ACCIDENT

George Kowler, a German, in the employ of E. H. Rainum suffered a broken leg in a runaway at the bus barn about 9:30 o'clock Wednesday morning. Kowler was driving a mule team and was preparing to leave the barn when they got frightened at something and ran half way of the barn. He was thrown out of the wagon and the wheels on one side ran over him from his shoulder to his foot. The ligaments were badly torn and the ligaments were badly torn and the bones broken below the knee. He was taken to St. Francis hospital by Mr. Bainum where he will be cared for until he recovers. Kowler has been in the employ of Mr. Bainum for the past three weeks. He has worked on farms in the Pickering neighborhood for about three years. He has a brother living in Nebraska.

CONTRIBUTORS TO ELEVATOR FUND

The total amount subscribed to the elevator fund of the St. Francis hospital was \$561 up to Wednesday afternoon. Wednesday, \$135 and had raised for the fund, Mrs. Rodney Hamblin giving \$19 and \$125 being raised at a meeting held at the Commercial club Tuesday evening.

While the subscriptions are not coming very fast, there are a number who will subscribe to the fund in the next few days.

F. E. YALEY SELLS OUT

MERCANTILE STORE TO HENRY CAMPBELL OF EXIRA, IA.

CONSIDERATION \$30,000

Mr. Campbell to Take Possession at Once—S. M. Simpson to Be Assistant Manager.

Henry Campbell of Exira, Iowa, has purchased the stock of the Yale Mercantile Company, formerly the Maryville Mercantile Co., of F. E. Yaley, the proprietor, and expects to take possession of the business next Tuesday. Mr. Campbell, who has been in the city several days, left for Iowa Wednesday noon to settle his business matters there, and move his family to Maryville.

Mr. Campbell has had about five years' experience in the mercantile affair and seems to be the right kind of a business man. We welcome him to Maryville and wish him success. He has left his business in Maryville in charge of S. M. Simpson, who will be assistant manager. Mr. Simpson is well known to the people of Maryville and Nodaway county as one of its most worthy citizens and business men.

F. E. Yaley will remain in Maryville for several weeks yet. He intends to move from here to Burlington, Iowa. He bought out the Maryville Mercantile Company last November.

The consideration, we understand, is \$30,000, two farms in Iowa being taken in on the deal.

News of Society and Womens' Clubs

Market Called Off.

The Easter market that was to have been held Saturday by the W. F. M. S. of the M. E. church, South, has been called off, and the ladies of the church will serve dinner at some place uptown on April 28 and 29, the days of the track meet.

Dinner Party in Country.

Mr. and Mrs. Alfred Kennel, living south of the city, Mr. and Mrs. W. I. Kennel and daughter, Orvetta, Mr. and Mrs. M. D. Kemp and daughter, Helen, living north of the city, and Mrs. Augusta Shackelford, were Sunday dinner guests of Mr. and Mrs. Oscar Kennel, living five miles east of the city.

The Mother's Circle.

The Mother's Circle will meet Friday afternoon at three o'clock at the Jefferson ward school with the mothers of that school, in response to a special invitation from the principal of that school, Miss Ada Albert. A splendid program has been prepared and a large attendance is expected. All mothers are invited.

Had Six Initiations.

The Eastern Star had a meeting in Masonic hall Tuesday night and six new members were initiated into the order. They were Mr. and Mrs. John Price, Mr. and Mrs. Joseph Combs, Mrs. R. S. Braniger and Mrs. H. M. Smith. After the ceremonies, a two-course luncheon was served and a good social time enjoyed.

To Be Married in Portland.

Mrs. Alice R. Perrin of this city received an invitation by letter Wednesday to the marriage of her son, Chas. C. Perrin of San Francisco, Cal., on Wednesday, April 19. The bride-to-be is Miss Lillian Rourke of Portland, Ore. The wedding will take place in one of the Episcopal churches of Portland. Mr. Perrin is Mrs. Perrin's oldest son. He is one of Swift's traveling representatives and is regarded as one of their best men in that section.

Entertained at the Cedars.

The T. M. R. Club was entertained Tuesday night at the "Cedars," the country home of Mrs. Richard Conway, west of town. The hostess was Miss Bessie Seehrist of Lawton, Okla., who has been visiting here for some time with her grandmother, Mrs. Conway. She was assisted in entertaining by her aunt, and uncle, Miss Carrie Conway and Hubert Conway. The members of the club are: Misses Lucille Airy, Neva Airy, Marie Wells, Beulah Brown, Helene Young, Helen Dunn, Allie Frazer, Bessie Seehrist, Messrs. Ervin Young, Lieber Holmes, Fred Lewis, Clun Price, Robert Wells.

XXth Century Club.

The general meeting of the Twentieth Century Club Tuesday afternoon for the purpose of discussing civic conditions applicable to Maryville was well attended by the club members, and the presidents and the secretaries of various other women's clubs and societies, and Mayor Robey and President Nic Sturm of the Commercial club were also present to hear the

things suggested by the women. Mayor Robey said he would do all he could to help them carry out suggestions for cleaning our streets and alleys, and also talked of a proposed new city hall. Mr. Sturm put forth the projects of a city park and a new city hall. Mrs. Wilfley read an excellent article on "Clean Streets," that is published in today's Democrat-Forum. "The Garbage Question," by Mrs. Geo. P. Bellows was splendidly handled and contained suggestions that could be well carried out in Maryville. The result would be a new looking town. The discussion was led by Mrs. Deming, who distributed questions pertinent to the subject. Mrs. Bellows' discussion of the garbage question will appear in Saturday's Democrat-Forum.

A special meeting of the club will be held next Tuesday afternoon, April 18, at the Elks' club for the election of officers. On the following day the Shakespearean division of the club will entertain the Tourist division at the home of Mrs. G. B. Holmes in Holmes Heights.

Surprised on Fourteenth Birthday.

Sunday, April 9, at the country home of Mr. and Mrs. William Shopbell, northeast of Pickering, a surprise in honor of their youngest daughter, Esther, was given, it being her fourteenth birthday. All partook of an elegant dinner. After dinner various games were played and plenty of music was in store.

Miss Esther received many lovely cards and presents, which were truly appreciated. At a late hour in the evening the girls returned home wishing Esther many more happy birthdays. Those present were from Pickering, where she was a student. Miss Esther Hanna, her teacher; Miss Bessie Ashford, Miss Eva McKee, Miss Crystal Everhart, Miss Flossie Neal, Miss Clara Alexander, Miss Mildred Burks, Mrs. Mary Cronson, Miss Gladys Noll, Miss Maude Proctor, Miss Madge McGinness, Miss Neva McGuire, Miss Vera McDowell, Miss Alice Neal, Miss Marie Neal, Miss Marie Livesy, Miss Esther Shopbell.

SWANN HOUSE ROB-BED TUESDAY EVE

The house of Albert Swann, who lives on West Fourth street, was robbed Tuesday evening, about 7:30 o'clock by an unknown party, who took about \$17.50 in money, which was in a tin box. No one was in the house at the time, Mrs. Swann having gone across the street to the home of her mother, Mrs. Lincoln Bent. After arriving at the home of her parents, she found out that she forgot to lock the doors in the house and told her sister, Miss Nina Bent to go over and lock the doors. Miss Bent went over and on entering the house she heard strange sounds and soon after saw the party leave the residence by a back door, running in the direction of the Wabash freight depot. The night policeman, Clyde Avitt, was notified at once and after a search of several hours was unable to find him. No clue to the robbery had been discovered by the city authorities Wednesday.

MARYVILLE WILL HAVE BASE BALL

The soliciting committee that has been busy at work to raise subscriptions for the baseball team, announced Wednesday afternoon that they had practically the amount subscribed necessary to run the team through the season. This means that Maryville will keep her franchise in the Mink league and will play during the coming season.

JUDGE ELLISON TO GO TO CHILlicothe

Judge W. C. Ellison returned Tuesday evening from St. Joseph, where he sat in the criminal court Monday and Tuesday in place of Judge T. J. Ryan, from whom a change of venue was taken. Judge Ellison will go to Chillicothe Thursday where he will try a drainage case for Judge Arch B. Davis.

Birth of a Son.

Mr. and Mrs. William Thornhill announce the birth of a son Wednesday morning. Mrs. Thornhill, who was Miss Florence Wallace, is at the home of her parents, Chief of Police and Mrs. John A. Wallace.

Mrs. Lewis III.

Prof. Jesse Lewis, formerly of the Northwest Normal and now with the Normal school at Flagstaff, Ariz., has been called to the bedside of his wife, who is very critically ill in Florence, Ariz.

L. A. Nigh of Parnell was in Maryville on business Saturday.

TO MAKE IT CLEAN

AN ABLE PAPER ON HOW TO BEAUTIFY MARYVILLE.

BY MRS. GEO. L. WILFLEY

And Read by Her at the Twentieth Century Club Meeting Tuesday Afternoon at Elks' Club.

Maryville has been beautified and adorned, and her streets well cleaned, by those whose papers have been read heretofore. Therefore with "Inward uneasiness," as Thos. Hood expresses it, "I have searched for something on my subject both across the water, as well as in our own country."

Streets of cities should be kept clean for two reasons, first for sanitary, and second, for the sake of the beautiful. In the light of modern science, the first of these is easily the most important.

It is well known nowadays that many diseases are due to germs and these germs thrive in dirt and filth. If we permit refuse and rubbish of all kinds to accumulate in our streets, where people must pass daily, we can easily see the menace to public health. This is being recognized more and more by the men who rule the cities of the world.

In World's Work there is an article on "What Germany Can Teach Us." It seems in many cities of Germany, as well as other cities of the old world, they have solved the question of cleanliness, as well as beauty, far better than we Americans have done. This may be due to the fact that their cities are much older than ours, and that they have learned the art of government better than we. This article maintains that the American cities are not well governed; they are not as modern, and comfortable and beautiful, as some of the most of the large cities of Germany and other countries. It is not because we lack the progressive spirit, or the wealth, the love of comfort, or the sense of beauty. The cause may usually be traced to a disrespect for law, to a laxity of discipline, to an insufficient public control of public utilities and beauties. The Germans have too many laws, and they respect them; we too few, and do not respect them. There is something of the slave about them, something of the anarchist about us, and Kipling says: "Keep ye the law—be swift in all obedience."

In the cities of Germany they have a day and night cleaning force, with an hereditary hostility to filth. The German uses much water on his pavement, and is beginning to install effective motor sprinklers, which with new motor fire engines have passed beyond the stage of experimentation. For the purpose of receiving waste paper and other litter of the streets, they have iron baskets attached to lamp posts or telephone poles and the iron baskets are made of iron strips and arranged as to be easily emptied.

The strict control of their streets, and the high regard for their neat appearance, is illustrated by the fact that street advertising is about entirely confined to pillars at street corners, and there are no bill boards to mask the litter of vacant lots. "In most of the large cities not even a beggar is allowed on the streets, the law even forbids you to warble Schubert or whistle Brahms on the public ways."

In a recent issue of the Chicago Tribune, Chas. E. Merriam, a candidate at the last election for mayor of Chicago, is quoted in praise of the Germans, also, he says: "During my entire trip through Europe I hardly met an American who did not favorably comment upon the perfect condition of the streets of Berlin, their cleanliness and the excellent municipal lighting service of this city. American cities have not spoiled their inhabitants in these respects and for that reason the attention of every American strolling through the streets of Berlin is so favorably attracted to these two points. Dry sweeping, as still in vogue in Chicago, has been abandoned a long time ago in Berlin for sanitary reasons mainly. The cleaning crews flushing the streets with such quantities of water and such high pressure that all refuse is washed to the curb. Street cleaning machines sweep this refuse in piles where it is removed by men and teams. When these crews leave the street, it is as near clean as human hands and ingenuity can make it. The association formed by merchants in the First Ward to assist the street cleaning department of Chicago in keeping the loop system clean, has demonstrated what can be done in this respect in Chicago, even with the poorly paved streets which we have, a similar system should be extended throughout the city and give every citizen the benefit of clean streets to which he is entitled."

An article appeared in the Scientific American some time ago, "On the Cost of Laying Dust," a Road Protection League was formed in Europe, for the purpose of promoting different questions relating to the suppression of dust. It seems that the principal methods of the league were the application of liquid matter to the streets and roads, especially of the use of tar and water. According to the official reports of the government engineers of the city of Paris, the department of the Seine and other districts, the four years test of the tarring system, gave excellent results from every standpoint and quite justified the expense.

Leaving Europe with its older civilization let us come back to our own country. New York is said to be one of the cleanest cities in the country. Its street cleaning force constitutes a small army in itself, and the man who controls it is one of the high salaried officers of the city. The men of the force are usually dressed in white clothing, and are often referred to as the "White Wings." Not only is the dust and dirt not allowed to accumulate on the streets, but in winter the snow is promptly removed as soon as it has fallen. On some of the streets no horses are ever allowed. Philadelphia has a "Colored Boys' Brigade."

As a plan for cleaning streets which might be within the reach of Maryville the leader of the brigade, Miss Hancock, for ten or fifteen years was identified with the negroes of South Carolina. She found plenty of material in Philadelphia to found a brigade.

Three afternoons a week the "Broom Brigade" swoops down on all the blind alleys, the narrow streets, and the dim dark courts, they clean all places the street cleaners have left. They work from four o'clock until six in the evening. After the work is finished each boy receives an envelope with the amount of five cents enclosed for the work done that day.

Kansas City has a children's movement that promises much good. An article in the Kansas City paper says: "We, the undersigned, pledge ourselves to refrain from throwing, dumping or in any other way scattering loose paper, tin cans or other refuse in our yards, or in any public place, alley or vacant lot; furthermore, we will burn our rubbish in such a manner as to prevent such scattering. We will also use our influence to further this movement in favor of keeping our city clean. Your children may confront you with the foregoing pledge the first of next week and with their invitations to sign they may tell you that their plot has been assigned to them in the school garden project, or will be soon, that the tomato plants are ready to transplant, or that they have just helped to plant some cabbage seeds. The principals of the city schools met yesterday afternoon in the Library building for the specific purpose of organizing the school and home garden project and to discuss the "City Beautiful." The pledge was the outcome of a motion made by Harvey S. Walter, principal of Kensington school. The problems of civic cleanliness and agriculture for the children were discussed in detail. These verses were submitted as a summing up of the aim of the waste paper and rubbish crusade:

"Would we have a nice clean town; Would we wear a civic crown? In our tablets put it down, Pick up all the papers!"

Parks and drives are very fine, And of public pride a sign, But before your house or mine Look at the waste papers.

Beauty's beauty anywhere, And to keep streets neat and fair Everyone must have a care; Care for the waste papers.

Do not say "we're but a few," Great things spread from one or two. So the best thing we can do Is war on the waste papers."

Much more of interest might be said of what the large cities are doing to keep their streets clean, but this must suffice.

However, I wish to give an incident which illustrates the care exercised by some cities, especially health resorts, for the purpose of preventing the spread of disease. George Stewart, the lecturer, was in San Antonio, Texas, one day when he spat upon the walk, a policeman at once placed his hand upon his shoulders and said come with me. Mr. Stewart, much surprised, inquired the reason, asserting that he was not guilty of any offense. The policeman insisted he saw him spit upon the walk at the same time informing him it was contrary to law, and the law was strictly enforced in their city.

Now what can be done to improve the streets of Maryville? While we can surely do something to improve our streets, we cannot do what the large cities are doing, for the haven't the means. I believe we have a law that forbids spitting on the walks, but I suppose there are not very many know there is such a law. Let us see that it is enforced. In considering the question of clean streets, we should bear in mind we have both paved and unpaved streets. The city officers

DIRECTORS IN MEETING

Wednesday Morning Selected Officers For the Ensuing Year.

Nick Sturm, president. Charles McNeal, first vice-president. Ed. C. Curfman, second vice-president. G. B. Roseberry, secretary. Paul Sisson, treasurer and trustee.

The above are the officers elected by the board of directors of the Maryville Commercial Club at a meeting held Wednesday morning in the club rooms, to serve for the ensuing year. The directors of the club are Nick Sturm, Geo. L. Wilfley, Charles McNeal, Ed. C. Curfman, Frank Shoemaker, Paul Sisson, Ed. G. Oren, G. B. Roseberry and George Pickens.

Many matters were discussed by the board at the meeting held Wednesday, but nothing definite done. Mr. Sturm and Mr. Roseberry, who have been president and secretary of the club since last November, have worked hard for the welfare of the city, and have been successful in creating a better feeling among the business men of the city. They have accomplished other things, too. The outlook for the club for the next year is more than promising and a great deal of work for the city's interest is expected to be done.

EASTER SERVICES FOR K. T. SUNDAY

The Maryville Commandery, No. 49, K. T., will have their Easter services at the Presbyterian church on Sunday morning, the sermon to be given by the pastor, Dr. C. P. Luce. The members are requested to meet in the lodge hall at 10 o'clock Sunday morning so as to march to the church in a body.

MONTHLY MEETING OF MEDICAL SOCIETY

The regular monthly meeting of the County Medical society was held at the Elks' club Tuesday afternoon. Dr. F. M. Ryan of Quitman was the only out-of-town member present. A paper by Dr. A. T. Fisher on "Epithelioma" was read and a report of cases was given by Dr. L. E. Dean.

His Brother Died.

Jesse Paulette of the Campbell-Clark hardware store, went to St. Joseph Wednesday morning, where he was called by the death of his brother, John Paulette, who was injured Saturday evening by being run down by a Grand Island train at St. Joseph. The news of his brother's death was quite a shock to Mr. Paulette, as it was thought by the physicians that the night recover. The young man was 28 years old.

To Deliver Address.

Dean Geo. H. Colbert will deliver the commencement address to the graduating class of the Parnell high school the 22d of this month.

The Weather

For Missouri: Unsettled weather with showers tonight or Thursday; cooler Thursday.

If Something is Wrong WITH YOUR EYES

You ought to find out all about it right away. Neglect is the worst kind of folly. Taken in time the ordinary errors of vision are easy to correct. Neglected they steadily grow worse. We have here every needed instrument for the correction of eye errors and we would be glad to have you call and let us investigate your case. We charge nothing for anything but the glasses, and as little as possible for them.

A nice new city hall would look well. Picture it, if you can, and think of it.

The United States supreme court has ordered the two-cent passenger fare cases from Missouri reargued.

There has been one caucus held in Washington that was a marvel of harmony. When the Socialists decided to hold a caucus Representative Berger, who is helping to make Milwaukee famous, called himself together and outlined a course from which there was no dissenting voice.

Even the suffragette bank is no longer safe. A Kansas City lady went to bed the other night with a nice roll of bills neatly tucked away in her stockings and awoke the next morning to find both money and stockings gone. Some grasping individual had entered the room and removed them, but had not interrupted her slumbers. Such consideration is touching.

President Taft denies the latest story of the secret pact between Mexico and Japan, and thus another yellow peril that, like a jack-in-the-box, pops out every time the lid is raised, is squelched. Senator Bacon, a member of the committee on foreign relations, says the president mobilized the American troops along the border because he thought there was danger of widespread revolution and possibly anarchy in Mexico, and he thought the American boys should be within close call. That is about all there is to the whole transaction, except that this fear was very likely encouraged by eastern capitalists who have large holdings in Mexico and were naturally nervous about the safety of their property.

In the death of Tom L. Johnson, Cleveland, O., and the people in general lose a good friend. Tom Johnson spent the better part of his life and a large fortune in fighting for three-cent car fares and other reforms in Cleveland. He was in congress two terms. He was an adherent of the single tax idea as advocated by Henry George. While he was in congress two terms and was five times mayor of Cleveland, he was not a mere place seeker. He had definite reforms in mind and after accumulating a considerable wealth he gave his talents and his money freely toward their realization. He was maligned and abused special privilege and graft must be as every honest man who opposes and he died poor in purse but rich in the esteem of a people cognizant of his great contribution to their welfare.

On Visit to Sister.

Mrs. Frank Welch and Mrs. Joseph Miller of Shenandoah, Iowa, will arrive in the city Thursday to be the guest of Mrs. Leslie H. Dean. Mrs. Welch is a sister of Mrs. Dean.

Her Father Died.

Mrs. M. J. Lavelle of East Edward street has received word of the death of her father, Edward Filbin, of Hydro, Okla. He was 80 years old. He and his family formerly lived in Maryville.

Mrs. C. D. Caldwell of Burlington Junction was a city business visitor Wednesday.

NEW TRIAL FOR DR. B. C. HYDE

Physician Convicted of Swope Poisoning Has Another Chance.

IS REMANDED WITHOUT BAIL.

Decision Comes Exactly One Year From Beginning of the Trial at Kansas City—Doctor Says He Will Prove His Innocence.

Kansas City, April 12.—Dr. B. Clark Hyde, convicted after a sensational trial of the murder of Colonel Thomas H. Swope, a millionaire philanthropist, was granted a new trial by the Missouri supreme court sitting at Jefferson City. Dr. Hyde has been in the county jail at Kansas City nearly a year following a sentence to life imprisonment.

When news of the court's decision reached the county jail, Dr. Hyde was taking his usual morning promenade up and down the narrow corridor in front of his cell on the third floor.

His lawyers shouted the verdict up to the prisoner.

"You have been granted a new trial," was the word that greeted him. Hyde stopped a moment in his walk, smiled, and said merely: "Thank you, gentlemen."

Then, as if some ordinary message had been delivered, the physician continued his walk.

When the other prisoners learned the import of the news a minute later, they crowded around Dr. Hyde and congratulated him. For the first time since his incarceration he mingled with his fellow prisoners.

Judge Latschaw Interested.

Judge Ralph Latschaw, before whom Dr. Hyde was tried, was hearing a highway robbery case in the criminal court when the decision was announced to him.

"I shall read the opinion with interest," said the judge, who went on with his case.

A significant point in connection with the Hyde decision is that it comes exactly one year from the date that his trial began here.

An important point in the decision remanding Hyde was that the court said Judge Latschaw's action in ordering Dr. Hyde locked up during the progress of his trial was "improper and unjustified."

The supreme court, in setting aside the verdict of the trial court, remands Hyde to the custody of the marshal of Jackson county without bail.

Statement by Dr. Hyde.

Dr. Hyde: "Of course I am disappointed that my case was not reversed outright. I shall, however, struggle on with an unbroken spirit, confident that I will convince not only the officers of the law, but the world of my complete innocence of the terrible charges laid against me. In the darkest hours of my affliction I have been sustained by the loving kindness of countless friends who believe in my innocence, as well as a firm belief in the idea that under our system of laws, while mistakes of judgment up on the part of court and jury may temporarily intervene, yet in the end justice is sure to prevail.

"I look forward with serene confidence to my acquittal in my next trial. I have learned that a man can stand anything with a wife like mine, believing in him and sustaining him."

COST OF LIVING IN AMERICA

Figures Compiled by British Statisticians Shows It Greater Here.

London, April 12.—Copies of a report on the cost of living in American cities, based on inquiries made in twenty-eight representative towns by officials of the British board of trade, were circulated in parliament. Among the conclusions reached are:

"The cost of food and rent combined is 52 per cent greater in the United States than in England and Wales, but the heavier relative charges on wealthier incomes have been accompanied with woefully wages, which are 25 to 100."

The report adds that this ratio of money earnings is more than two and a quarter times as great as in England and Wales.

Funer of Tom S. Johnson.

Cleveland, April 12.—The body of former Mayor Tom L. Johnson, who died from cirrhosis of the liver, will be laid to rest tomorrow in the Johnson family lot, Greenwood cemetery, Brooklyn, N. Y., in the very shadow of the monument that marks the grave of Henry George, the great single taxer, whose disciple Johnson was.

Missouri Public Utilities Law Valid. Jefferson City, Mo., April 12.—The supreme court of Missouri sustained the public utilities law, which allows municipal corporations to regulate rates of public utilities, when it overruled a motion for a rehearing of the case of the Home Telephone company against the city of Carthage.

Automobile Runs Off Bridge.

End, Okla., April 12.—John Myers was killed, Walter Fisher probably fatally injured and Thomas Cotter and Joseph Mann were badly cut and bruised when the automobile in which they were riding ran off a bridge near here.

Returned From Des Moines

Miss Ella Noll returned Wednesday noon from Des Moines, Iowa, where she had been visiting for several days. Miss Noll accompanied her brother-in-law, George Keef, to Des Moines on a business trip. Mr. Keef will be there for several days.

Mrs. Warren Jones and little daughter, Mary Elizabeth, are at Quitman visiting Mr. Jones' sister, Mrs. Hattie Gladfelter.

HOUSE NAMES ITS NEW COMMITTEES

First Time in History Members Have Been Elected.

CANNON TAUNTS DEMOCRATS.

Former Speaker Says Same Men Are Recognized as Previously—Underwood Defends Methods of Majority, Senate Steering Committee.

Washington, April 12.—It required more than two hours for the house of representatives to elect its new committees. It was the first time in history that the committees have been elected.

Former Speaker Cannon taunted the Democrats with having approved the various committees practically the same men whom he, as speaker, had put on these committees in the last house. The Republicans charged the Democrats with gross unfairness in cutting down the minority membership on the most important committees. Mr. Underwood, the Democratic leader, replied that the Democrats had based the proportionate representation on the committees strictly according to the Democratic majority in the house itself.

"This is, moreover," he said, "the first time a minority leader has been permitted to name his committees and has had them adopted by the majority without dotting an 'i' or crossing a 't.'"

This statement was cheered loudly by the Democrats.

Inconsistencies Pointed Out.

Republican Leader Mann cited several alleged inconsistencies and his arguments were seconded by Cannon and Gardner (Mass.).

"That I made mistakes is undoubtedly true," said Cannon, "but I was responsible for the organization of the committees and I did it honestly. I have no apologies to make. I would like to see the speaker, or the ways and means committee, or the minority leader, who could organize the committees without making mistakes. I have already heard rumblings on the Democratic side. But after all you are not going to be judged by the committees you name, but by the legislation you accomplish."

Instructed as to the new committees were adopted in the form of resolutions. The ways and means and appropriations committees of the house were authorized to sit during the sessions and recess of the house.

Senate Steering Committee.

The Democratic members of the steering committee were announced. Mr. Martin (Va.) is chairman and the members are: Culberson (Tex.), Simmons (N. C.), Clarke (Ark.), Bankhead (Ala.), Fletcher (Fla.), Williams (Miss.), Kern (Ind.) and Hitchcock (Neb.). The last two represent the progressive element in the senate.

Reciprocity and Farmers' Free List.

Reciprocity with Canada and a farmers' free list, it was decided at the Democratic caucus held here, will be the legislation taken up in the order named by the present house of representatives. The woolen and cotton schedules, according to present indications will follow.

In the caucus there was no opposition to Canadian reciprocity and no change or addition to the bill as presented by Chairman Underwood of the house ways and means committee were offered by any of those present. On the free list will be included those things which the farmer needs most, namely, agricultural implements, dressed meat and meat products, flour, rough lumber, boots, shoes and saddles, wire fencing, baling wire, cotton bagging, cotton ties, bagging ties, burkap and salt.

WOMEN HELD BY REBELS

Americans Said to Be Confined in the Stockade at Ensenada.

San Diego, Cal., April 12.—Mexican filibusters held a number of American women and children captive in a stockade at Alamo, Lower California. It became known here. The prisoners are said to be at the mercy of their captors and to have suffered insults and indignities. Protests have been made to Secretary of State Knox and Senator Perkins, chairman of the senate committee on naval affairs, has been advised.

Among those held captive are C. Rath, his wife and five children of San Diego. The names of the others have not been disclosed. The appeal to Secretary Knox was made by O. Henry Savage of this city, a relative of Mrs. Rath.

UNCLE ADMITS KIDNAPING

Will Rogers Arrested on Information of Convict Accomplice.

Las Vegas, N. M., April 12.—Implicated by the confession of Joe Wiggins, a former life convict, Will Rogers, uncle of little Waldo Rogers, was arrested for complicity in the lad's abduction and later confessed. For his return \$12,000 ransom was paid. Will Rogers acting as agent for Mrs. Rogers. He told where the money was hidden and officers found the \$12,000. The disclosures have again aroused the city to a degree of excitement that the authorities fear may result in a demonstration against the prisoner.

CROUP CONQUERED.

Every Mother Should Read and Remember This.

In any home where a child has a tendency to croup, a bottle of Hyomei (pronounce it High-o-mei) should be kept constantly on hand.

A sudden attack of croup with difficult breathing and extreme distress is apt to come on at any time.

The course to be pursued is plain. Send for your doctor at once, and in the meantime drop thirty drops of Hyomei into a bowl of boiling water, and hold the child's head over it, cover with a towel or cloth, so that only the air filled with Hyomei vapor is breathed.

This method of treatment has saved many a child's life, and mothers of croupy children should see to it that Hyomei is always on hand. Full instructions for prompt relief of croup is in each package.

A 50c bottle of Hyomei is all you need in treating croup. This is known in all drug stores as Extra Bottle Hyomei Inhalant. Druggists everywhere and the Great-Henry Drug Co. sell it. Breathe Hyomei. It is guaranteed to cure catarrh, croup, sore throat, bronchitis, coughs and colds, or money back.

AT 2 A. M.

(Kansas City Times.)

Did you ever wake up at some unknown hour and listen for the clock to strike and experience a great sense of relief that it counted four instead of two? You knew then that things would be stirring before long; that the milk wagons would soon be going past, and that you weren't to remain the only person awake west of New York.

It is insisted that the first three hours of sleep are the soundest of all. However that may be, it certainly is a fact that if you get to sleep at all you rarely awaken before 2 o'clock. Besides, the early part of the night isn't particularly lonesome. You know that people are getting home from the theaters and that up to, say 1 o'clock the town is just settling down to sleep. But when some noise, or what you ate at dinner, arouses you to hear the clock strike two, you are overwhelmed by the feeling of your own helplessness and isolation. Nobody else for miles around, you feel quite sure, can be awake for any good purpose.

The house is full of curious creaks and groans. What is that strange

noise in the next room? It must be the window shade flapping in the wind. * * * Of course it must be. * * * Still, it might be somebody moving ever so stealthily. * * *

You lie perfectly quiet and listen, straining your ear drums for some peculiarity of the sound that will settle its character. Yes, it is the window shade. But now comes a crash from the kitchen—a distinct crash; no trick of the imagination. Did you lock the kitchen window before you went to bed? You think you did, but a haunting doubt comes over you. Maybe it was the cat. But wasn't the cat put down cellar? Possibly the cellar door wasn't quite latched. The cat might have got back into the kitchen.

Now one of the children sneezes—sneezes repeatedly. He didn't seem to have any cold when he went to bed. Perhaps he has kicked the clothes off. You would better go see. No, he is covered up. Why should he have sneezed? Can he be coming down with pneumonia, or scarlet fever, or something? A good many serious diseases begin with a bad cold. Perhaps he is feverish. You feel his hands. They do feel hot—or are your own cold? You give it up and go back to bed. Could you get the doctor if you needed him? You strain to listen for more sneezes or for the restlessness that betrays a fever. No, there isn't anything.

Once more the clock strikes—one, two, three. Only three. If it were only four morning would be near. You are worn to a frazzle by this time. You know you never can get to sleep again, and the worst of it is that you don't dare thrash around as you would like to for fear you might wake your wife. Thank goodness she has slept through all these terrors. You start to counting, get to forty-seven, and then forget to go on in the strain of listening for more noises. You are on the verge of despair. Can it be that the clock is striking again? Yes, seven, and it's morning. You had dozed off, after all.

Isn't morning great? And isn't the hour from 2 to 3 the dullest of all the twenty-four?

HAIR DROPS OUT.

Many People Have a Simple Way of Stopping It.

It was Dr. Sangerbund of Paris who first discovered that dandruff and falling hair were caused by microbes. And now that Parisian Sage, the remedy that kills the dandruff germ, is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of The Democrat-Forum who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itchiness, we make this offer:

The Koch pharmacy will return your money without red tape, if Parisian Sage does not banish dandruff, stop falling hair and itching scalp in two weeks.

Parisian Sage is sold by the Koch pharmacy and druggists everywhere for 50 cents a large bottle. It is an ideal, daintily perfumed hair dressing, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. Mail orders filled, charges prepaid, by Giroux Mfg. Co., Buffalo, N. Y.

TO MAKE IT CLEAN

(Continued from page 1.)

are perhaps doing the best they can, with the means at their command, but still much more should be done. Following the example of Germany we might use more water on the streets, and then can we not have a Boys' Brigade, similar to one in Philadelphia?

Our streets show the lack of care and cleaning at many places. Often the gutters are not cleaned for months and at the lowest points of the streets the accumulation of mud and dirt almost obscures the curb. The end of the paved streets are also unsightly places. After a rain there is usually a mud hole just off the pavement, and the mud therefore is carried on to the street for a block or more. The expense necessary to keep these places clean would surely not be an extravagance for our city. Perhaps there is the greatest room for improvement, at least from the standpoint of beauty, of our unpaved streets.

With a very modest expense these streets could be made much more attractive and more easily kept clean, either by the city or the residents. If property owners would mark their parkways with an oak curbing, of course stone or concrete would be much better, our city authorities would, no doubt, see that the street was properly graded, and if it were treated with oil it would be but little inferior to the paved streets, and perhaps be freer from dust. We have heard much praise of the streets of Shenandoah, Ia. While not having as much paving as we, they have carried out the plan of curbing and grading, which I have suggested for our city, with the result that nearly all of the unpaved streets of the town have a neat and uniform appearance.

Our club could render much service

to the city in agitating better conditions, for much depends upon the awakening of public sentiment favorable to modern and progressive ideas.

INDICTED FOR FIRE DISASTER

Isaac Harris and Max Blanck Charged With Manslaughter.

ENTER PLEAS OF NOT GUILTY.

Accused Men Released Under Twenty-Five Thousand Dollars Bail—Special Benefit Matinee Is Held for Aid of Sufferers.

New York, April 12.—Isaac Harris and Max Blanck, owners of the Triangle Waist company, were indicted by the grand jury investigating the Washington Place fire on March 25, in, or as a result of, which 145 employees lost their lives.

The indictments, four in number, charge each man with manslaughter in the first and second degrees, the maximum penalty for which is twenty and ten years' imprisonment respectively. Harris and Blanck were arrested at their homes, arraigned and after entering pleas of not guilty, were released under \$25,000 bail.

The defendants are charged with being responsible for the deaths of Rosie Grasso and Margaret Schwartz, whose charred bodies were found on the ninth floor of the burning building.

The district attorney hopes to prove that the girls tried the door on the ninth floor in an effort to escape, but found it locked.

Other Indictments Possible. A charred piece of door, with the bolt shut, was shown to the grand jury as well as a part of the burned stairway. A few minutes afterward the indictments were returned. Other indictments may follow.

Judge O'Sullivan gave the defendants until April 25 to withdraw their pleas of not guilty. Both men took their arrest calmly. The grand jury investigation will be resumed next week.

While the grand jury was engaged in perfecting the indictments, a special benefit matinee for the aid of the sufferers from the fire was held at the Metropolitan opera house, under the auspices of the association of theatrical managers of Greater New York. The sum of \$3,350 was realized.

The house was packed and many persons were standing. Leading actors and actresses sold programs. Forty-three operatic, dramatic, musical comedy and vaudeville stars contributed their services.

TORNADO IN OKLAHOMA

One Killed and Four Members of B. W. Hensley's Family Injured.

Frederick, Okla., April 12.—In a tornado which swept across the country two miles southeast of this city the home of B. W. Hensley, a farmer, was demolished and its occupants scattered about the adjoining fields. James P. Smith of this city, who was visiting at the Hensley home, was killed when struck by flying timbers. Mr. Hensley, his wife and two young sons were more or less seriously injured.

All the members of the family were in bed when the roar of wind came and the house was torn to pieces. Some were whirled up bodily in their beds and carried through the air. The storm blew up from the northwest in a few moments and lasted not more than five minutes. It was followed by a soaking rain. It is believed that none of the injured will die.

MEN WHO PUT LORIMER OVER

Helm Committee Said to Be Informed as to Identity of Men.

Springfield, Ill., April 12.—According to a story in circulation here, the Helm committee is in possession of the names of the persons referred to as "we" in the alleged conversation between Clarence S. Funk and Edward Hines at the Union League club, Chicago.

One of the persons is said to be the manager of a large State street department store. The other is said to be the president of a Chicago bank. According to Funk's testimony, Hines told him "we had to put Lorimer over hurriedly, and that it cost \$100,000 which we are now trying to collect back from some of our friends."

D. R. Eversole & Son

WE again call your attention to our carpet department. This is the time of year when you are interested in this class of goods—when you are thinking about brightening up the home with new rugs, carpets, linoleums, etc. In this department as in other departments of our store we emphasize quality. This one feature, more than all others, should be considered in buying floor coverings. We want you to know of some of the qualities we carry, and assure you they are the best that money can buy at the price.

Carpets
Our all wool ingrain carpets consist of the LOWEL and HARTFORD goods, and are the very best goods made. The patterns come up clearer in these goods than any other make. These qualities contain no cheap wools and do not soil or fade like other goods. Price, 70c a yard. No extra charge for making.
We have a good line of cotton and half wool carpets at 25c to 50c a yard. We show a large range of patterns in Axminster carpets in floral and conventional designs, both in the Saxony and extra qualities.
Price of Saxony Axminsters 90c
Price of Extra Axminsters \$1.10
No extra charge for making.
If you are needing ingrain stair carpet we can supply your wants very cheap. Best grade all wool, 65c quality, for 40c.

Lino- leum
Let us help you select your linoleum. Our advice to you is worth a great deal, especially as regards the quality you buy. There are many makes of linoleums on the market, but why buy these inferior goods when you can buy the best right here with our word back of it. The quality we carry is made from pure cork and linseed oil, contains no wood pulp which causes them to dry out and crack. We can supply three widths, 8-4, 10-4, 16-4.

Rugs
Our line of Axminster rugs includes the Smith-Bigelow and Hartford qualities in beautiful rich and conventional designs. If you are needing a new rug why not buy it now as the line is complete now, and you will get better selection than you will later on.
We can supply you with any size you may need. Our line of tapestry rugs do not include the large gaudy designs you see elsewhere, but are selected with as great a care as the better goods. A good line of wool and fibre rugs, size, 9-12, at \$10.00.

Window Shades
Those needing window shades will do well to let us figure your job. We guarantee to save you money on your purchase. We carry nothing but standard goods that will give absolute satisfaction, and use no other rollers but Hartshorn. Your shades will be placed on the rollers and hung to your windows correctly, if we do the work.

THE PERFECT WAY.

Scores of Maryville Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys.

A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

Are endorsed by Maryville people. T. A. Murray, East Fourth street, Maryville, Mo., says: "Since using Doan's Kidney Pills some years ago I have been practically free from kidney trouble. I suffered from this complaint for some time. When I was told by a friend to try Doan's Kidney Pills, I immediately began their use, and prompt relief from my suffering followed. I do not hesitate to advise other kidney sufferers to give Doan's Kidney Pills a trial, and I know this remedy can be relied upon."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Has Purchased Automobile.

Dr. A. T. Fisher has purchased a new E. M. F. automobile to increase the facilities for attending to his work. Dr. Fisher came to Maryville over five years ago and has worked up a fine practice.

Mrs. W. A. Jewell and little daughter, Leta May, who have been visiting her sister, Mrs. John L. Tilsen, the past week, returned to her home in St. Joseph Tuesday evening.

HAIR WANTED

NEWS OF INTEREST TO PEOPLE WHO HAVE NO HAIR.

There is one place where bald headed men shine, and that is in the front row seats of the theatre. They do not obscure your view like the "merry widow" hats and the reflection of the footlights on their plates lends a certain glamour to the scene. If these bald headed people had used Wyeth's Sage and Sulphur Hair Remedy in their earlier days they would not be so conspicuous now. This preparation does not plant new hair, but it does strengthen weak, dying hair, and not only brightens dull, parched hair, but gradually restores the color to faded or gray hair. It is a clean, wholesome hair dressing, which can be used daily with perfect safety.

Wyeth's Sage and Sulphur is sold under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.

Jim Lett was elected a director of the Skidmore school last Tuesday in place of John McKee, retired.

Mr. Truman Kellogg and wife were guests at the Richard's home, Saturday evening.

K. C. Knudson and wife left Monday for Lamoni, Iowa, to attend the L. D. Saints' conference for the present week.

Mrs. Robert Nelson of Guilford is visiting this week with her son, Albert Askoe.

W. B. Torrance and family spent Saturday night and Sunday visiting his brother, T. A. Torrance and wife and E. S. Fannon and family.

The board of directors of the Skidmore school has employed Miss Effie Richardson to teach the school next winter for eight months. This is Miss Richards third term at the Skidmore school.

Prof. J. A. Whiteford of St. Joseph visited in Guilford from Saturday to Monday.

The Telephone Association of Guilford had a meeting of the stockholders last Friday and voted on several propositions regarding the purchasing of a property on which to locate a central office. The five lots in the northeast corner of block 3, belonging to Jacob Nelson, were purchased for the sum of \$900.

It will be some time before the central office can be moved from the Watson property to the Jacob Nelson property which was purchased Friday, because Mr. Noland had rented the property until the first of September.

E. Halfhill and wife visited K. C. Knudson Sunday afternoon.

The school board of the Liberty school employed Miss Bernice Kershaw to teach the two months of spring term. The school began Monday.

Enoch Byergo was elected director in the Liberty district last Tuesday.

THIRTY YEARS OF SUCCESS.

The B. M. Hyde Co. Offer a Remedy for Catarrh. The Medicine Costs Nothing if It Fails.

When a medicine effects a successful treatment in a very large majority of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people to substantiate. We want them to try Rexall-Muco-Tone, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success to his credit.

We receive more good reports about Rexall Muco-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Muco-Tone is, it would be the only catarrh remedy we would have any demand for.

Rexall Muco-Tone is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membrane tract, to destroy and remove the parasites which injure the membranous tissues, to soothe the irritation and heal the soreness, stop the mucous discharge, build up strong, healthy tissue and relieve the blood and system of disease matter. Its influence is toward stimulating the mucous cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Rexall Muco-Tone, beginning a treatment today. At any time you are not satisfied we will quickly return your money without question or quibble. We have Rexall Muco-Tone in two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in Maryville only at our store, The Rexall Store—the Great-Henry Drug Co.

Mr. and Mrs. Wiley Lankford of Barnard were in Maryville on business Tuesday.
